PRAYER REQUEST

October 2-5 I will be getting behind the space at the Motocross of Nations. I have not yet seen or heard where the booth will be. Please pray for a great spot for the booth and my truck. Thank you very much.

PRAYERS ANSWERED!!!

Remember to pray for your church leaders and administration team.

Keep in mind if you have a prayer request or a praise report please let me know. chmxclub@comcast.net

Do you have a designated place where you can go to pray and read the word? You might try this, it has worked for me.

I be praying for everyone on the emailing list.

WE WENT FAST

In March 1945, the "Ghost Army" helped US forces achieve the Rhine River crossing-giving the allies a vital base to operate from on World War II's Western Front. The soldiers were most definitely human, not apparitions, all part of the 23rd Headquarters Special Troops. On this occasion, the 1,100-man team imitated 30,000 men by using inflatable decoy tanks, blasting troop and vehicle sound effects over speakers, and more. The relatively small number of Ghost Army members led the enemy to fear what appeared to be a far greater force.

The Midianites and their allies also trembled before a tiny army that loomed large in the night (Judges 7:8-22). Gideon, a judge and military leader of Israel, was used by God to make his puny army a source of terror for the enemy. They also used sound effects (blown trumpets, smashed clay jars, human voices) and visible objects (blazing torches) to make the vast enemy-as "thick as locusts" (v. 12)-believe they were facing a colossal foe. Israel defeated their enemy that night with an army whittled down from 32,000 men to just 300 by God's command (vv. 2-8). Why? Because that made it clear who truly won the battle. As God told Gideon, "I have given you victory over them!" (v. 9 nlt).

When we feel weak and inferior, let's seek God and rest in His strength alone. For His "power is made perfect in [our] weakness" (2 Corinthians 12:9).

100% Whole-Wheat Bread
Whole-wheat bread is another nutritious addition to a heart-healthy diet that can help manage blood pressure. It's made from whole-grain flour-meaning it's ground from wheat that has all three parts of the grain-resulting in a natural source of fiber and minerals.

Like other whole grains, 100% whole-wheat bread is a source of magnesium, calcium and potassium-three minerals emphasized on the DASH diet. A simple Cucumber Sandwich can help you include more whole-grain bread in your diet. Enjoy it with a side salad or a cup of soup.

So the 2025 Motocross of Nations is in the books, I am so thankful to Derek Garcia who provided the booth space, event access and an amazing opportunity for the club to show how awesome the True Living God is. I do not know where to begin, I was able to camp right behind the booth and work out of my truck and keep things locked up. It was an amazing event and I am so thankful for everyone's prayers and my wife showing up on Sunday to help. Thanks to Matt Davis of Throttle Jockey for sending Jeremy McGrath over to check out the bike I had on display and they made a video and that went viral and a lot of you were contacting me about it, too cool. Simon of Repent Racing for the canopy. Roy Thacker for the pit passes, Sandi was impressed with the whole pit set up. Thank you everyone.

SPEND SOME TIME WITH THE FAMILY THIS WEEK...

The American Motorcyclist Association (AMA), founded in 1924, is one of the largest motorcycling organizations, fostering a strong community among riders.

But they do not enforce any rules about dangerous racing tactics.

Keep praying for those that are persecuted in other countries, hundreds of them are being hunted like animals.
